AID STATIONS

Aid stations will be located approximately every two miles along the course. All aid stations will be supplied with electrolytes, water, restrooms, and basic first aid supplies. Additionally, various aid stations will be supplied with Gu Energy Gels, fruit, and medical personnel. The aid station map indicates the locations of each aid station as well as the supplies and amenities available.

DROP BAG

You will receive a race bag when you pick up your packet at the expo. This bag is for you to take to the starting areas. A number that matches your race bib will be attached to your race bag. This is to identify your bag at the finish area after the race, and you will need your bib to prove ownership of your bag when you pick it up. Please carry any belongings to the starting area in this bag, as opposed to any other personal bags, which cannot be identified by your race number. Bags must be placed in the bag trucks at the starting areas at least 15 minutes prior to the race start.

AWARDS CEREMONIES

Awards for the top three male and female finishers in each race will start as follows:

Half Marathon: 9:00am

Full Marathon: 10:30am

There will not be an awards ceremony for age group winners. All age group winners can pick up their prize at the result tent.

SPECTATORS

Because the canyon and Wasatch Boulevard will be completely closed to traffic, spectators will need to stake a spot out on Fort Union Boulevard. Refer your fan club to the course maps to plot out their desired locations.

Spectators will also be allowed to park at the finish line to cheer you in and celebrate with you after you cross the line.

Race Start Times:
Marathon: 6:45am
Half Marathon: 6:45am
