DROP BAG

You will receive a race bag when you pick up your packet at the expo. This bag is for you to take to the starting areas. A number that matches your race bib will be attached to your race bag. This is to identify your bag at the finish area after the race, and you will need your bib to prove ownership of your bag when you pick it up. Please carry any belongings to the starting area in this bag, as opposed to any other personal bags, which cannot be identified by your race number. Bags must be placed in the bag trucks at the starting areas at least 15 minutes prior to the race start.
